

February 4, 1974

CLERK: Mr. President a new bill 1010 introduced by Senator Thomas C. Kennedy at the request of the Governor (read)

PRESIDENT: Thank you. Are there any other bills for introduction.

CLERK: Mr. President I move to suspend the rules and introduce the attached bills in behalf of the Banking Committee (Signed) Senator Fred Carstens.

Mr. President, just ahead of that we have a Committee on Public Works report to LB 753 is indefinitely postponed. And LB 833 placed on General File.

Mr. President, I have a motion we could take up ahead of that by Senator Whitney. I move to suspend the rules and withdraw LB 878 and cancel the hearing (Signed) Senator Whitney.

PRESIDENT: The Chair recognizes Senator Whitney then for his motion on LB 878 while we are waiting to have Senator Fred Carstens return. We will take up Senator Whitney's motion here. All right, Senator Whitney.

SENATOR WHITNEY: I have a motion in there to suspend the rules to withdraw a bill. It pertains to putting Public Electric Power lines along roadsides. And the people who wanted the bill out in Western Nebraska decided they didn't want the bill after all. And so I'm asking that we suspend the rules and withdraw the bill today so that it can be in the newspapers so the people will not come clear from Western Nebraska to the hearing.

PRESIDENT: The question is, shall the rules be suspended and was that LB 878. Senator Whitney. All right, the question is shall LB 878 be withdrawn. It has to be done by suspension of the rules, because when we have the motion we have to lay over for one day. All those in favor of suspending the rules and allowing Senator Whitney to withdraw LB 878 will vote aye, all those opposed will vote no. Have you all voted. Clerk will record. That's O.K. we had enough, Senator.

CLERK: 32 ayes 0 nays, Mr. President.

PRESIDENT: All right, the rules are suspended and LB 878 then is withdrawn. Now we have a motion by Senator Fred Carstens to suspend the rules for the introduction of the 4 bills that he..Excuse me.. Senator Duis.

Yes, that's right. The purpose of the suspension of the rules is to cancel a hearing. Because there is not 5 days between the hearing days and the withdrawal.

CLERK: Mr. President, I have another motion to suspend the rules and withdraw LB 777 and cancel a hearing (Signed) Senator Snyder. I move to suspend the rules and withdraw LB 777 and cancel a hearing (Signed) Senator Snyder.

PRESIDENT: The Chair recognizes Senator Snyder.

SENATOR SNYDER: Mr. President, and members of the Legislature. I for the same reason need to suspend the rules to cancel the Public Hearing which has been set for Thursday. I meant to have this done Friday before it got in the newspapers, but we got into a rather lengthy debate and I forgot to get it included before we adjourned. But I should mention that this is not a minor item of interest. It's got considerable interest it's
